

## **VOLUNTEER DRIVERS NEEDED**

British Home is looking for people who are able to support our independent residents by driving them to places they wish to visit.

To do this, you need to either have access to a wheelchair accessible vehicle or have a category D or D1 driving licence that enables you to drive a minibus.

This is a rewarding role with full training and support provided. You will be making sure that people living with neuro-disability are able to lead full, active and positive lives in their community.

We are based on Crown Lane in Streatham (SW16 3JB). All volunteers are required to complete an enhanced DBS and to stay up to date with mandatory training. Reasonable expenses incurred whilst volunteering will be reimbursed.
